Physical Education Teacher in charge
For the School Physical Fitness Award Scheme

Re: School Physical Fitness Award Scheme Certificates
7th July 2008

To dear teacher in charge,

We regret to inform you that because of the immense success of the scheme and the high participation and success rate of students, our SPFAS certificates are currently **out of stock**. Up to now 85,000 certificates have been distributed although only 52,775 certificates have been registered on the web. We apologize for any inconvenience caused.

We are glad to inform you that with the consent of the Education Bureau and the Physical Fitness Association of Hong Kong, China, participating schools may print colour certificates for their students as a temporary measure for the 2007/08 school year.

To print the certificates,

1. With your school log in ID, log in http://www.childhealthhongkong.com/school_system/2007_8/
2. key in your password,
3. go to item 3 - SPFAS Data 2007-8management,
4. key in the number of gold, silver and bronze certificates achieved by your students,
5. click "submit"
6. then print out adequate numbers of gold, silver and bronze certificates for your students.

(we recommend the use of laser or inkjet printers which can print without edges and to print on A4 white paper.)

Please do not hesitate to contact us by e-mail at spfes@childhealthhongkong.com if you have any problems.

Best Regards,
Hong Kong Childhealth Foundation
